Parking information

Designated parking for visitors is directly to the right of the main entrance as below:

Location

Close to Junction 3 of the M5 with excellent views over Leasowes Park and the Clent Hills, our office is located on Mucklow Office Park, one mile from Halesowen town centre.

To access Mucklow Office Park by car, turn off Mucklow Hill onto Hollies Drive. Take the first right and go over the speed bumps, then keep left and follow the road round to West Point.

The office is also well served by local bus routes offering links into Birmingham city centre and the Black Country.
